Genuine VW brake vacuum push rod.

Usually the cause of that annoying “tap tap tap” you get on 5/6 cylinder models.

67.5mm long as opposed to the early one which is 71mm

Suits most 2.4D models from 94 (chassis number R-180 000) onwards, and all 2.5TDI models.

Also LT 6 cylinder '94 to '96
